Mrs. Roy Elder

Principal

Mr. Wayne Hobbs

You, the youth of our nation, are its greatest resource. How well parents and teachers assist you in your development will determine the quality of our culture and society of tomorrow.

These few years which you spend in Richland School will determine your future. The future always has many uncertainties. I am sure many of you are beginning to feel the pressures of what lies ahead. Work hard and prepare yourself! By doing this, you can eliminate many of those uncertainties.

Keep up the good work! It is a pleasure to be your principal. GOOD LUCK!

Sincerely,

Wayne Hobbs

I, Kristy Glass will to my younger sister Misty and my brother Fred all the joyful memories of their high school years as I have mine and to have the good fortune to have the special friends that I have had. Many happy school years to Mary Ann and Allen Pierce, Trina, Carla and Ryan Doubs.

I, Freda Glossup leave my ability to anyone who can not get caught talking in class like I always did, and I leave all my love to a special person, Butch.

I, Lydia Greene will to David Wells my driving ability, to Darin Rice I leave a stick of gum, and to Susan Morris and Claudia Payne I leave the wish of retiring my sewing box. To Mrs. White and Mr. Hollis I leave my brother, Jim so they will always remember me.

I, Jeff Harmond leave to myself the ability to pass Mrs. White's and Mr. Hollis English classes next year.

I, Melissa Jean Helms, will all of the good times I have had at Richland to anyone who is not fortunate enough to have them.

I, Matt Hickman, will my ability to skip school to my cousin, Harvey and my position on the football team back to Willie Hurd because he left it to me.

To Scott Vernon I leave my strut because he will need it. P.S. Coach Chunn, you can have the "bags" back!

I, Stevie D. Higgins, will my ability to get a speeding ticket every time I go to town to anyone who drives like I do. To Beth I leave all the wild cherry bubble gum that she can chew, and that's a lot.

I, Angee Hill, being of reasonably sound mind, do hereby leave my ability to go through the twelve grades to my little sister, Amanda Hill.

I, Laura Holland, will to my younger brother the great honor of having Mr. Mitchell's classes, accepting his cruel comments and liking him anyway.

I, Glenda Gail Hood, hereby will my ability to pass all my classes with fair grades without studying much to Robert Dickey and Amanda Hill. Also, I will all my love to Robert Dickey. To Jeff Hood I will my ability to pass all four years of high school without failing any classes.

I, Patricia Horne, will my basketball suit number 'K' to anyone who can keep the same size all four years and my softball suit, which is also number 'K', to anyone who wants to wait until their junior and senior years to play. Good luck to Nina, Gina, Lynn and Carla — you're going to need it. A "Thanks" to Coach Clark.

I, Lisa Howell, will all my ability to grade papers for Mrs. White and make as many mistakes as possible to whoever is her little "serf" next year. To Joey and Julie I will all the good times ahead at RHS, and to Darvel I will all my love.

I, Treva Hunt, having worked in the library at Richland High School, leave having enjoyed every minute of it.

I, Marci LeMay, will all the great memories and crazy times at RHS to Robbie Cates, Durb H., Keith W. and Gilbert H. To Shannon Tarpyley, I leave my locker which she enjoyed more than I did. To Mr. Brantlett, I leave another two years with Robbie and Durb.

I, Russell Lewis, being of unsound mind and little body, do hereby leave my driving skills to anyone who wants to die at an early age. I leave my dust mop to Vaughn Rhea. To Coach Clark I leave my job half done and to the teachers my brother, Brent, for the next four years.

I, Stephen Llewellyn, of sound mind, will my warped sense of humor and my musical capabilities to King Hippie. Also, I give my thanks for the influence of Lynard Skynard.

I, James Lovett, leave to my brother the ability to get along with Mrs. Foster and avoid her evil eye.

I, Mike Maggard, leave anything and everything that anybody wants and my ability to go through basketball practice day after day.

I, Keith Malone, will my ability to play football as well as I did to Herbert Gilbert, and I leave my ability to block to Derrick Braden. I leave the "Smurf" to anyone who can do it. P.S. Coach Chunn, you can have the "bags" back!

I, Greg McNeese, will all my good times at RHS to Dwight Briggs and Lisa Howell.

I, Sheila Mitchell, will nothing to anyone since I have nothing to leave.

I, Laura Newton, leave my little brother, Terry, to all the teachers that can put up with him. To Christie Bledsoe I leave all my good times at RHS. All my love I will to Greg. To the teachers, Thanks for all the memories and the support through the high school years.

I, Paula Parker, will to Mrs. Foster my favorite bottle of perfume since she enjoys the fragrance so much and my front row seat in typing to anyone who runs his mouth like I do.

I, Steve Putnam, will my speed to Scott Vernon and my position on the football team to anyone Coach Chunn puts there.

I, Chad Riggins, will all of my love to Rhonda Borden, who I will always love to the day I die and all of my "know how" to Mrs. Brown.

I, Tommy Risner, leave to Randy, Scottie, Gerald, Billy and Donnie my ability to cut classes and skip school. Also, I leave my old American History book to whoever can find the pages to it. P.S. I leave to Richland a picture of my pretty face.

I, Vicki Nelson Risner, will my ability (which am I much) to graduate from Richland High School with a lot of smiles and friendships to my sisters Becky and Kim. To my husband Jimmy and my son Chad I leave my love.

I, Sheila Robinson, will my love and special thanks to Kerry for all of his support and care.

I, Brad Rose, will my ability to get to school on time to Chris and Derrick Dickey.

I, Randy Shrader, do hereby will to Mrs. White and Mr. Brewer the "Favorite Teachers Award" and to my sister, Rosie, my back seat on the bus.

I, Julie Sims, leave my brush purse and my glasses to Mrs. Foster and Mrs. White because they kept up with them more than I did. I leave Mr. Brewer all the headaches that he gave me and last but not least, I leave all of my knowledge to anyone that doesn't plan to do anything after high school.

I, Eddie Stewart, will my great ability for passing English to my future sister in law, Little Lucy, Tonya, and all my love to Tony Yokley.

I, Jerry Street, will my nickname "Joe Duram" to anyone who wants it. I leave all the good times at RHS to Matt and Bubba if they need them.

I, Todd Sullivan, will to "my boy" Bubba Sims, the ability to play football like his daddy, who taught him everything he knows. To Mr. Trigg, I leave all my Jerry Clower records because he never told the jokes right.

I, Kerry Tomlinson, will to all my teachers past and present an 'A' for effort and many thanks. All else I'm taking with me for future reference.

I, Tommy Ussery, being of sound mind and body hereby leave the "L" to Dennis Archer, and Charlie Helton and I hope the "L" will continue to prevail.

I, Wanda June Vick, will my grades to my sister, Annette Vick, even though she may do better without them and my love to Tim Risner, whom I'll love forever.

I, Tim Walls, will all the days that Michael Childress, Steve Putnam and I were late for class to Keith Walls if he ever gets his driver's license and a car.

I, Rechelle White, will all my great abilities to Bubba Sims if he can figure out what they are. I leave the good times I've had at Richland to my "cuz", Gina A., Matt J., Nina D. and Lynn S. To Coach Clark, I leave my smile since he never uses his.

I, Patricia Teller Woodard, leave behind all my times good and bad to anybody that wants them.

I, Carol Worsham, do hereby will all English notes and notebooks I can sneak out from Mrs. White to K. Holley, and to Gina Ashford I will the ability not to get suckered into buying a "green Vega."

I, Robert Worsham, will my ability to skip school to Jim K.

I, Lisa Wright, leave to Ricky my determination and fair grades. To Mr. Hobbs and Mr. Hollis I leave a supply of nerve pills.

I, Richard Young, leave to all the teachers four aspirins because they have two more Youngs to go. I leave L.H. my back seat on the bus, my welding skills to G.S. and D.P. and to M.J.M., a dip of skoal.

This ends our Last Will and Testament which has been signed and witnessed upon the twenty sixth day of May nineteen hundred and eighty-three.

As the years come and go, I realize more the important role each of us has in making Richland a better school and community for ourselves and future generations to enjoy. Time it was and what it means. It was

*A time of innocence
A time of confidences
long ago lost to
I have a photograph
Preserve your memories
They're all that's left you.*

*Nature's first green is gold,
Her hardest hue to hold
Her early leaf's a flower,
But only so an hour.
So leaf subsides to leaf,
So Eden sank to grief.
So dawn goes down to day,
Nothing gold can stay.*

Robert Frost

I'd like to thank all my friends for their support and love. I'll always look back on these years with warmth. My sincere gratitude to my teachers who have put up with my hyper antics. I'll miss all of you. Grasp the moment, because all you'll have left is memories.

Beth & Brian, Oct. 16.
